

# Terrace Inn Package Menu

Please choose one of the following entrees.

All entrees come with bread and herbed butter and seasonal vegetable. A dessert for 2 is included in your package along with our specialty coffee or gourmet tea.

## Lake Michigan White Fish

Caught and delivered fresh to our door, your 10-12 oz Lake Michigan filet is lightly seasoned with dill and paprika, surrounded by hot piped duchess potatoes and a broiled tomato stuffed with spinach and artichokes, then baked and served on a hardwood plank. Definitely delicious.

## Flat Iron Steak

We marinate an 8oz., grill it to order, and enhance with our very own merlot zip sauce. Tender and tasty! ☆

## Chicken Hemmingway

One of our most popular dishes, we ladle a savory/sweet cherry cream sauce over a sauteed chicken breast, place it atop creamy garlic mashed potatoes and add a dollop of truffled mushrooms. Satisfying and sensational.
